Career Objective

Motivated and results-driven Computer Science Engineer seeking a challenging role in software development or cloud-based solutions. Passionate about leveraging Java and modern web technologies to deliver scalable, efficient, and secure applications. Adept at working in dynamic environments with a commitment to continuous learning and impactful team contributions.

Skills Summary

– Java, Spring Boot, Microservices

– RESTful APIs, Postman, Git, GitHub

– SQL, MySQL, PostgreSQL

– HTML, CSS, JavaScript

– Microsoft Azure Fundamentals

– Agile Development, Problem Solving, Team Collaboration

Projects

BookMyShow Backend Clone (Microservices Architecture)

– Developed a scalable backend for a movie ticket booking platform using Java 17 and Spring Boot.

– Designed and implemented modular microservices: User, Theatre, Movie, and Booking.

– Ensured secure and efficient communication across services using REST APIs.

– Followed clean architecture principles for maintainability and scalability.

Student Library Management System

– Built a full-stack system using Spring Boot to manage student-library interactions.

– Created APIs for student registration, book inventory, issue/return processes, and fines.

– Integrated MySQL/PostgreSQL with Spring Data JPA and Hibernate for ORM.

– Established entity relationships (One-to-One, One-to-Many, Many-to-Many).

Education

B.Tech in Computer Science and Engineering
Krishna Chaitanya Institute of Technology and Science, Markapur
2020 – 2024 | CGPA: 7.02

Intermediate (MPC)
Kamala Junior College, Markapur
2018 – 2020 | CGPA: 8.7

SSC
Sri Aurobindo High School, Markapur
2017 – 2018 | CGPA: 9.7

Certifications & Training

– Microsoft Azure Fundamentals – Microsoft

– Web Development Bootcamp – HTML, CSS, JavaScript

– Python for Data Science – Coursera

Soft Skills

– Strong analytical and problem-solving ability

– Effective communication and teamwork

– Adaptability to evolving technologies

– Self-motivated and proactive learner

Declaration

I hereby declare that the information provided above is true to the best of my knowledge and belief.
